Jessica Reminder

jessicareminder@gmail.com

I want to create a safer, happier world that favors the user and develops new solutions to problems in a constantly changing world.

EXPERIENCE

Qualitrol, Digital Marketing

January 2026 - August 2026

- Used HubSpot templates to create engaging email marketing forms.
- Created a comprehensive product catalog used to convert MQLs and SQLs.
- Used HTML and CSS to create engaging website pages.

EuroRelief, Graphic Artist

November 2025 - January 2026

- Designed visual materials to support humanitarian aid and awareness campaigns during global crisis response efforts.
- Created branding, infographics, and digital assets to communicate relief initiatives and mobilize community support.

NTID, Photography and Media Assistant

June 2025 - January 2026

- Photography and creation of visual assets.
- Edited and retouched content for clarity and efficiency.
- Worked on a creative team to market camps and events.
